**HISTORY**

*The Saint Joseph Symphony Society* was formed in 1908 and has long been considered one of the finest orchestras performing in a city of this size.

This professional orchestra offers a full season of concerts September through May, as well as summer chamber concerts, youth concerts, and educational programs.

In 1982, a partnership was developed between the Saint Joseph Symphony and Missouri Western State University.

Their continued support has been greatly appreciated through the years.
