

# TICKETS NOW AVAILABLE for the 2021-22 SJS Season!

As soon as the selection for our new music director/conductor was firmed up, we put Christopher Kelts right to work on the new season! He designed a program of accessible pieces, which are particularly meaningful during this time of "coming back." We are all transitioning through the changes that 2020 and 2021 brought. You may recognize many St Joe connections woven throughout.

**Season Tickets will be available before the end of July.** If you're a season ticket holder, your "usual seats" will be available to you. We appreciate your patience as we are working to put everything into place with our new ticket system and planning for contingencies that our continuing COVID challenges present. Main Stage shows will be recorded and available to watch online. These shows are planned for The Missouri Theater. Join us in this ***Brave New World!***
